

Video Worksheet

Voting and Elections

Lesson 4 *Voter's Guide*

Early Voting in Iowa

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Specifying** How widely available is early voting in the United States and to what extent is it used in Florida and Colorado?

2. **Explaining** What evidence does the video give for whether early voting is increasing or decreasing across the United States?

3. **Summarizing** According to the former chair of the Iowa Republican party, how has early voting changed election campaigns?

4. **Evaluating** Do you think that widespread early voting would be a positive or a negative practice for the United States? Explain your answer.
