

Video Worksheet

Choosing the President

Lesson 3 *Electing the President*

Electoral College Crash Course

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Stating** What arguments do supporters make for keeping the Electoral College?

2. **Summarizing** What role does the Electoral College play in national elections and determining the winner?

3. **Explaining** What are swing states, and why are they important?

4. **Defending** Should your state join the national popular vote plan? Why or why not?
