

Video Worksheet

The Structure of Congress

Lesson 2 *The House of Representatives*

Life on the Hill

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Describing** How does Representative John Kasich describe the legislative process in response to the reporter's question?

2. **Explaining** What do the plaques on Representative Pat Schroeder's office wall represent, and why does she say she might have to turn them to the wall?

3. **Defending** How does Representative Joe Scarborough defend the proposal to eliminate the Department of Education?
