

Video Worksheet

Foundations of Government

Lesson 1 *Purposes and Origins of Government*

Scottish Independence

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Explaining** What is the subject of the news report?

2. **Speculating** How might the long delay between the start of the independence campaign and the actual vote help or hurt each side of the debate?

3. **Comparing and Contrasting** The pro-Scottish independence side has several different factions. On what issues do they agree and disagree?

4. **Making Predictions** Do you think the campaign for Scottish independence will be successful? Support your opinion with facts.
