

Video Worksheet

State and Local Legislative Branches

Lesson 3 *State and Local Legislative Policy*

Soda Wars

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Listing** What were the two policy proposals to curb obesity, and where were they proposed?

2. **Explaining** What were the arguments of supporters and opponents of these measures?

3. **Exploring Issues** Do you think that state and local governments should create policies aimed at improving the health of their citizens? Why or why not?
