

Video Worksheet

Structure and Functions of the Executive Branch

Lesson 4 *The Executive Branch at Work*

Tobacco Regulation

Directions: Review the questions below and think about these questions as you watch the video. Take notes that answer these questions as the video plays.

1. **Listing** What are the major provisions of the new tobacco regulation law?

2. **Explaining** What were the additional provisions some people wanted in the bill but did not get, and why were those provisions so important to them?

3. **Contrasting** How is this bill different from the first anti-smoking legislation of 20 years ago?

4. **Summarizing** What was Dr. David Kessler's opinion of the legislation?
